PRODUCT ANNOUNCEMENT
NAPROSYN[®] 250mg (naproxen) and **ANAPROX[®] 275mg** (naproxen sodium)
PACKAGING CHANGE

Dear Customer:

Effective immediately, the bottle shape and packaging of 100 TABLETS/BOTTLE of NAPROSYN[®] 250mg (NDC 0004-6313-01) and ANAPROX[®] 275mg (NDC 0004-6202-01) have changed to be aligned with Roche global packaging as previously communicated. The bottle shape has changed from round to square. Consequently, the case quantities have been decreased from 144 to 48 units per case for each. Please adjust your systems to reflect the change in case quantity and case dimensions for these NDCs.

Please continue to use all existing stock of NAPROSYN[®] 250mg and ANAPROX[®] 275mg until your inventories have been depleted as this change does not affect the product. Returns to reduce inventory will not be accepted.

For additional information, see the enclosed wholesaler fact sheets.

We thank you for your support in implementing this change. If you have any questions, please contact your Roche Trade and Professional Relations Manager or the Roche Order Fulfillment Department at 1-800-526-0625.

Sincerely,

Patrick A. Cofone
Director, Trade & Professional Relations

Wholesaler Fact Sheet
