Dear Pharmacist

We are pleased to share with you the exciting news that April 4, 2007 marks the formation of the new **US Bayer HealthCare Pharmaceuticals Inc.**, created through the integration of **Bayer HealthCare's US pharmaceuticals division and Berlex Inc.**, (Schering AG, Germany's affiliate). The launch of this new, unified organization is a significant milestone in our efforts to become a leading specialty pharmaceutical company dedicated to helping people improve the quality of their lives.

Bayer HealthCare Pharmaceuticals Inc., will build on the long tradition of discovering and developing medicines to improve human health, which have been associated with both Bayer Pharmaceuticals and Berlex Inc. We continue to offer brands from both companies, including Bayer's hematology, cardiology, urology and oncology therapies as well as Berlex's women's healthcare, oncology, CNS and diagnostics products.

Bayer HealthCare Pharmaceuticals Inc., combines the strength of two of the most recognized and well-respected pharmaceutical companies to create an innovative new leader in the specialty pharmaceutical arena, ranked among the 10 largest specialty pharmaceutical companies worldwide.

We look forward to continuing our relationship with you. If you have any questions, please feel free to contact us.

Sincerely,

Bayer HealthCare Pharmaceuticals Inc
