

**RE: Catapres-TTS® - 1 (clonidine) Transdermal Therapeutic System  
NDC Number and Packaging Change**

June 18, 2007

Dear Pharmacist:

Boehringer Ingelheim Pharmaceuticals, Inc. (BIPI) has made a package configuration change to Catapres-TTS-1 which will result in a change to the NDC number, dimensions and quantities as referenced in the following attachment.

**Important – Package Configuration Information**

<b>Current Packaging</b>	<b>= 3 cartons of 4 Systems and 4 Adhesive Covers</b>
<b>New Packaging</b>	<b>= 1 carton of 4 Systems and 4 Adhesive Covers</b>

New TTS-1 packages will be received as follows:

- Wholesaler and Direct Chains: the week of June 25, 2007.
- Retail Pharmacies: by the week of July 9, 2007.

We have requested that the wholesalers link the order entry numbers for the current TTS-1 packages to the new packages to ensure a continuous and uninterrupted supply in your pharmacy.

Pricing services and other agencies have been notified of this change well in advance to ensure ample time for loading into the databases.

Please continue to use any current packages you have or receive prior to dispensing the new packages. Both NDC numbers will remain active for reimbursement purposes. Please do not return any saleable TTS-1 packages.

The BIPI return policy will apply to all expired TTS-1 product. For information regarding our policy, please contact Capital Returns, Inc. at 1-800-950-5479.

Thank you for your support throughout this transition. If you have any questions regarding this transition, please contact the BIPI Customer Service at 1-800-243-0127.

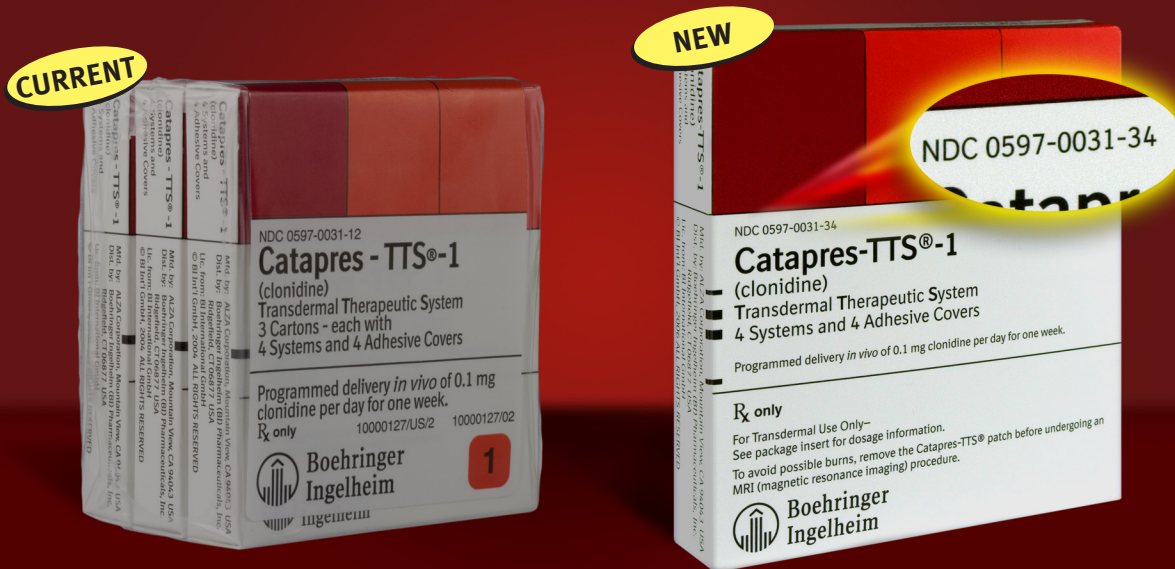

Sincerely,

A handwritten signature in black ink that reads "Robert W. Belknap".

Robert W. Belknap  
Executive Director, Trade Sales & Operations
