

IMPORTANT INFORMATION

November 2007

Dear Customer:

This is confirmation that, effective immediately, GlaxoSmithKline (GSK) will discontinue DEXEDRINE[®] (dextroamphetamine sulfate) Spansule[®] Capsules  10 mg in the 100-count commercial package.

NDC No.	Product	Strength	Size	Last Lot#	Expiration Date
0007-3513-20	DEXEDRINE SPANSULE Capsules 	10 mg	100s	0600604C	02/28/2009

There is no need to return your inventory, and we kindly ask that you please sell through your existing stock.

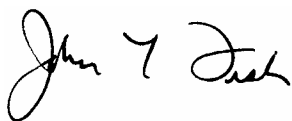

Please note that DEXEDRINE in the 90-count commercial package replaces the 100-count commercial package.

NDC No.	Product	Strength	Size
0007-3513-59	DEXEDRINE SPANSULE Capsules 	10 mg	90s

Please be sure to update your systems so that the new NDC number for DEXEDRINE in the 90-count commercial package is cross referenced with the NDC number for the 100-count commercial package.

If you have any questions or need assistance, please contact your GSK Channel Account Director or call Customer Relations at 1-800-877-1158.

Sincerely,

John L. Fish
Vice President
Channel Management and Pharmacy Solutions
