If you do not want to be included in future mailings or communications from Novo Nordisk or would like to stop use of your information by Novo Nordisk please call 800-727-6500

Represents national formulary status. Provider communication only – not approved for WellCare member distribution. Reference source based on CMS website ([www.medicare.gov](http://www.medicare.gov)) – please verify with the plan sponsors on coverage and updated information. Lower acquisition costs alone do not necessarily reflect a cost advantage in the outcome of the condition treated because there are other variables that affect relative costs. Intended as a guide only. Medicare Part D data is on file with Novo Nordisk and is current as of January 1, 2009. Formulary status is subject to change.

Expiration Date: December 31, 2009.
